[26th September, 1914.]

BE it enacted by the Governor, with the advice and consent of the Legislative Council of Saint Lucia, as follows:—

Short title.

1. This Ordinance may be cited as the Pensions Ordinance, 1914, and shall be construed as one with the Pensions Ordinance, 1902, and that Ordinance and this Ordinance may be cited together as the Pensions Ordinances, 1902 and 1914.

Pensions to Clerks
in the Governor's
Office in respect of
their full salaries.

2. (1) Clerks in the Office of the Governor of the Windward Islands, past, present and future, shall be deemed to have been and to be persons who have been in the public service of this Colony and to have held and to hold pensionable offices within the meaning of the Pensions Ordinance, 1902, and shall be eligible for pension under the said Ordinance not only in respect of salary paid from the funds of this Colony, but also in respect of the proper proportion of salary paid from Imperial Funds:

Provided that, as regards past clerks, this Ordinance shall not apply to any person who is not in His Majesty's Service at the time of its passing.

(2) For the purposes of this section, the expression "proper proportion" means the proportion fixed by the Secretary of State for the Colonies as the proportion of such expenses as are common to all the Windward Islands proper to be borne by the Colony of Saint Lucia and in force at the time when any such pension is first granted.
